Physical Content - AU CENTRE SPORTIF - let's discover French

🧩 Guidance Note – How to Use the "physical content" as pedagogical materials

In this folder, you will find downloadable and printable teaching materials to help you build your own language awareness activities.

🎨🍇🔢 The content includes:

- body cards
- sport cards
- question cards
- action cards
- empty cards to put more sports/body parts/expressions...
- one comic featuring the discovered expressions

🃏 These cards can be used:

- by theme, or by mixing themes
- as simple flashcards
- to learn "head, shoulders, knees and toes" song
- for pair or group games, such as:
  - a memory game (goal: find matching pairs)
  - a battle game (goal: players flip cards and look for matches)
  - mime games

💡 The cards offer multiple playful uses that support learning through fun and interaction.

✍️ You will also find blank cards, allowing you to create your own content based on your learners' needs and ideas.

🌀 The question cards and the comic can be used in a dynamic and engaging way. Children can invent their own role play .

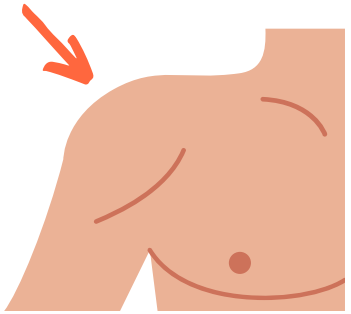

🗣️ Whatever game you choose, always encourage children to say out loud what they see, point to, or discover. This enhances oral expression and memory.
🎉 Have fun exploring and learning!
