### 7. 'What's in my bag?' Bingo game

Invite the children to prepare and play a Bingo game. Give each student an empty Bingo grid and a set of cards with the following pictures: a pen, a pencil, a bag, a ruler, a book, a crayon, a shamrock and a Leprechaun. Tell the kids to cut the cards and place them on the empty grid randomly. Tell them to put a cross on the image when they hear the word. If they get three in a row : **BINGO !**

### 8. 'Find and learn adventure': A classroom object scavenger hunt

You need classroom object picture cards hidden around the classroom. Then, you tell the kids that the leprechaun has played a trick on them and has hidden some classroom objects around. You invite them to play a special type of scavenger hunt. Kids are divided in teams and start looking around. When a team finds a card, they name the classroom object correctly and collect it. The team that collects the majority of cards gets a printed pot of gold.

### 9. Follow the colours
