🧩 Guidance Note – How to Use the “physical content” as pedagogical materials

In this folder, you will find downloadable and printable teaching materials to help you build your own language awareness activities.

🍷🍷🍷^{1 2}_{3 4} The content includes:

dictionary

dictionary cards

number cards

🧩 These cards can be used:

by theme, or by mixing themes

as simple flashcards

for pair or group games, such as:

a memory game (goal: find matching pairs)

a battle game (goal: players flip cards and look for matches)

a word association game

💡 The cards offer multiple playful uses that support learning through fun and interaction.

👉 You will also find blank cards, allowing you to create your own content based on your learners' needs and ideas.

💡 SINGING A SONG

Text of the song, match the words of the song with images

👉 Game: PAPANAȘ RACE

Board game, template, how to build, how to play.

🎧 Reading comprehension .Use it to practice reading comprehension, to read aloud to practice pronunciation and interactions, or as a base for a short role play!

🗣️ Whatever game you choose, always encourage children to say out loud what they see, point to, or discover. This enhances oral expression and memory.

🎉 Have fun exploring and learning!

CÂNTEC

Astăzi mergem în oraș,
Ura! Ura! Ce bine-o fi!
Văd un parc și văd o școală,
Văd o piață minunată!
Astăzi mergem în oraș,
Ura! Ura! Ce bine-o fi!

Today we're going to town,
Hurray! Hurray! How wonderful!
I see a park and I see a school,
I see a wonderful square!
Today we're going to town,
Hurray! Hurray! How wonderful!

Print the cards on thick paper on both sides
Print the recipe card
Cut the two pictures of papanaş

INSTRUCTIONS TO PLAY

Between 2 and 4 players can play.

Each player must choose a picture of papanaş and roll the dice .

The player who rolls the highest number starts the game.

To play, each participant must roll the dice and move their piece to the corresponding square.

Some of the squares on the board have a special meaning. SURPRISE SQUARE

If the player lands on a SURPRISE square, they earn the right to advance to the next SURPRISE square and, in addition, they can roll the dice again. HE picks the card with that number, read it out loud, and keep it as a trophy.

If they land on an X2 or X3 square, they must multiply the number rolled on the dice by the corresponding number and advance that number of squares

If they land on the STOP square, the player will not be able to roll the dice again until another player passes that square.

The first player to reach the finish line wins. He wins the recipe of PAPANAŞ,

IMPORTANT! These instructions are guidelines. Feel free to modify the game as you wish and assign "prizes" or "penalties" to different squares, depending on your preferences.

PAPANAŞ

Ingredients

1250 g cottage cheese,
Drained of whey,
1 level teaspoon salt,
1 teaspoon cinnamon,
1 teaspoon baking
powder
1 packet vanilla sugar,
2 eggs,
Flour, approx. 230-250
g,
Grated lemon zest, if
desired;
Oil for frying
Flour for the work
surface,
Blueberry jam,
Sour cream.

Directions

Put the cheese in a bowl, add the salt, vanilla sugar, baking powder (cinnamon, grated lemon zest), Mix well, then add the two eggs and mix until smooth. Add flour to obtain a dough that is neither too hard nor sticky.
Sprinkle flour on the countertop to prevent the dough from sticking.
Divide the dough into about 5 larger pieces and 5 smaller pieces;
shape the small pieces into balls, round the large pieces, flatten them, and use your finger to make a hole in the middle,
Heat the oil in a pan; the oil should be at least 5 cm deep.
Check when the oil is hot (test with a small piece of dough, it will float)
reduce the heat, start frying the dumplings, one by one, until nicely browned.
Remove the doughnuts onto paper towels.
When serving, garnish with jam and sour cream.
They are very good when warm.
