

Conținut fizic - LA MAGAZIN - să descoperim LIMBA GERMANĂ

🌱 Notă orientativă – Cum se utilizează „conținutul fizic” ca materiale pedagogice

În acest dosar veți găsi materiale didactice care pot fi descărcate și tipărite, pentru a vă ajuta să creați propriile activități de conștientizare lingvistică.

🎨📄 Conținutul include

- cărți colorate
- cărți numerice
- cărți cu fructe
- un joc de cărți pentru familie
- un ghicitor (cunoscut și sub numele de „cootie catcher” din hârtie)
- două benzi desenate cu cuvintele descoperite

📖 Aceste cărți pot fi utilizate:

după temă sau combinând temele

ca simple cartonașe

pentru jocuri în pereche sau în grup, cum ar fi:

un joc de memorie (scopul: găsiți perechile potrivite întorcând cartonașele cu fața în jos)

un joc de luptă (scopul: jucătorii întorc simultan câte un cartonaș din propria lor grămadă - cel mai rapid care găsește câștigă runda)

un joc de familie (scopul: găsiți cele 4 cartonașe din aceeași familie)

💡 Cărțile oferă multiple utilizări ludice care susțin învățarea prin distracție și interacțiune.

🔗 Veți găsi, de asemenea, cărți goale, care vă permit să creați propriul conținut în funcție de nevoile și ideile elevilor dumneavoastră.

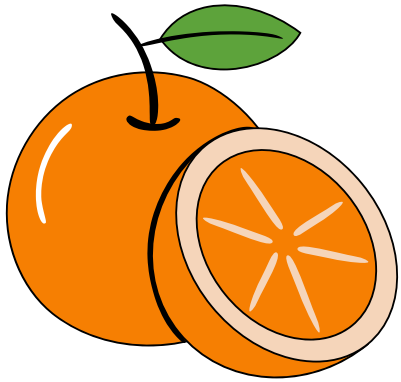

🌀 Ghicitorul combină diferite teme într-un mod dinamic și captivant. Copiii pot, de asemenea, să-și personalizeze ghicitorul ascunzând „surprize” sub clapete pentru ceilalți jucători.

📄 Benzile desenate pot fi folosite ca model pentru a inventa un dialog, un joc de rol sau o scurtă scenă de teatru folosind frazele cheie din activitate.

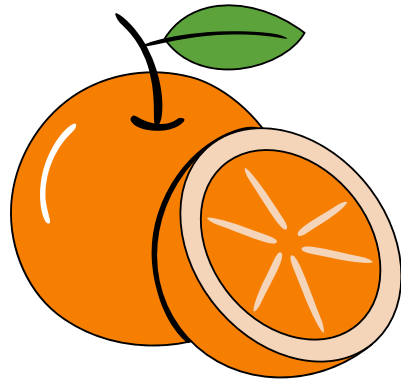

🗣️ Indiferent de jocul pe care îl alegeți, încurajați întotdeauna copiii să spună cu voce tare ceea ce văd, indică sau descoperă. Acest lucru îmbunătățește exprimarea orală și memoria.

🎉 Distrează-te explorând și învățând!

Bau dir deinen Schnipp-Schnapp-Falter

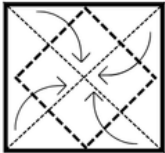

*Construiește-ți solnița din hârtie !

1

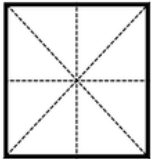

With pictures face down, fold on both diagonal lines. Unfold.

2

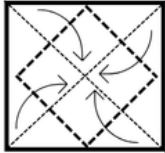

Fold all four corners to the centre.

3

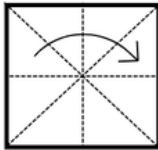

Turn paper over.

4

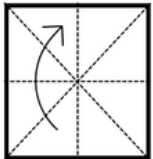

Once again, fold all corners to the centre.

5

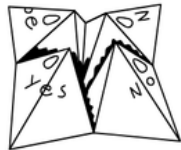

Fold paper in half and unfold.

6

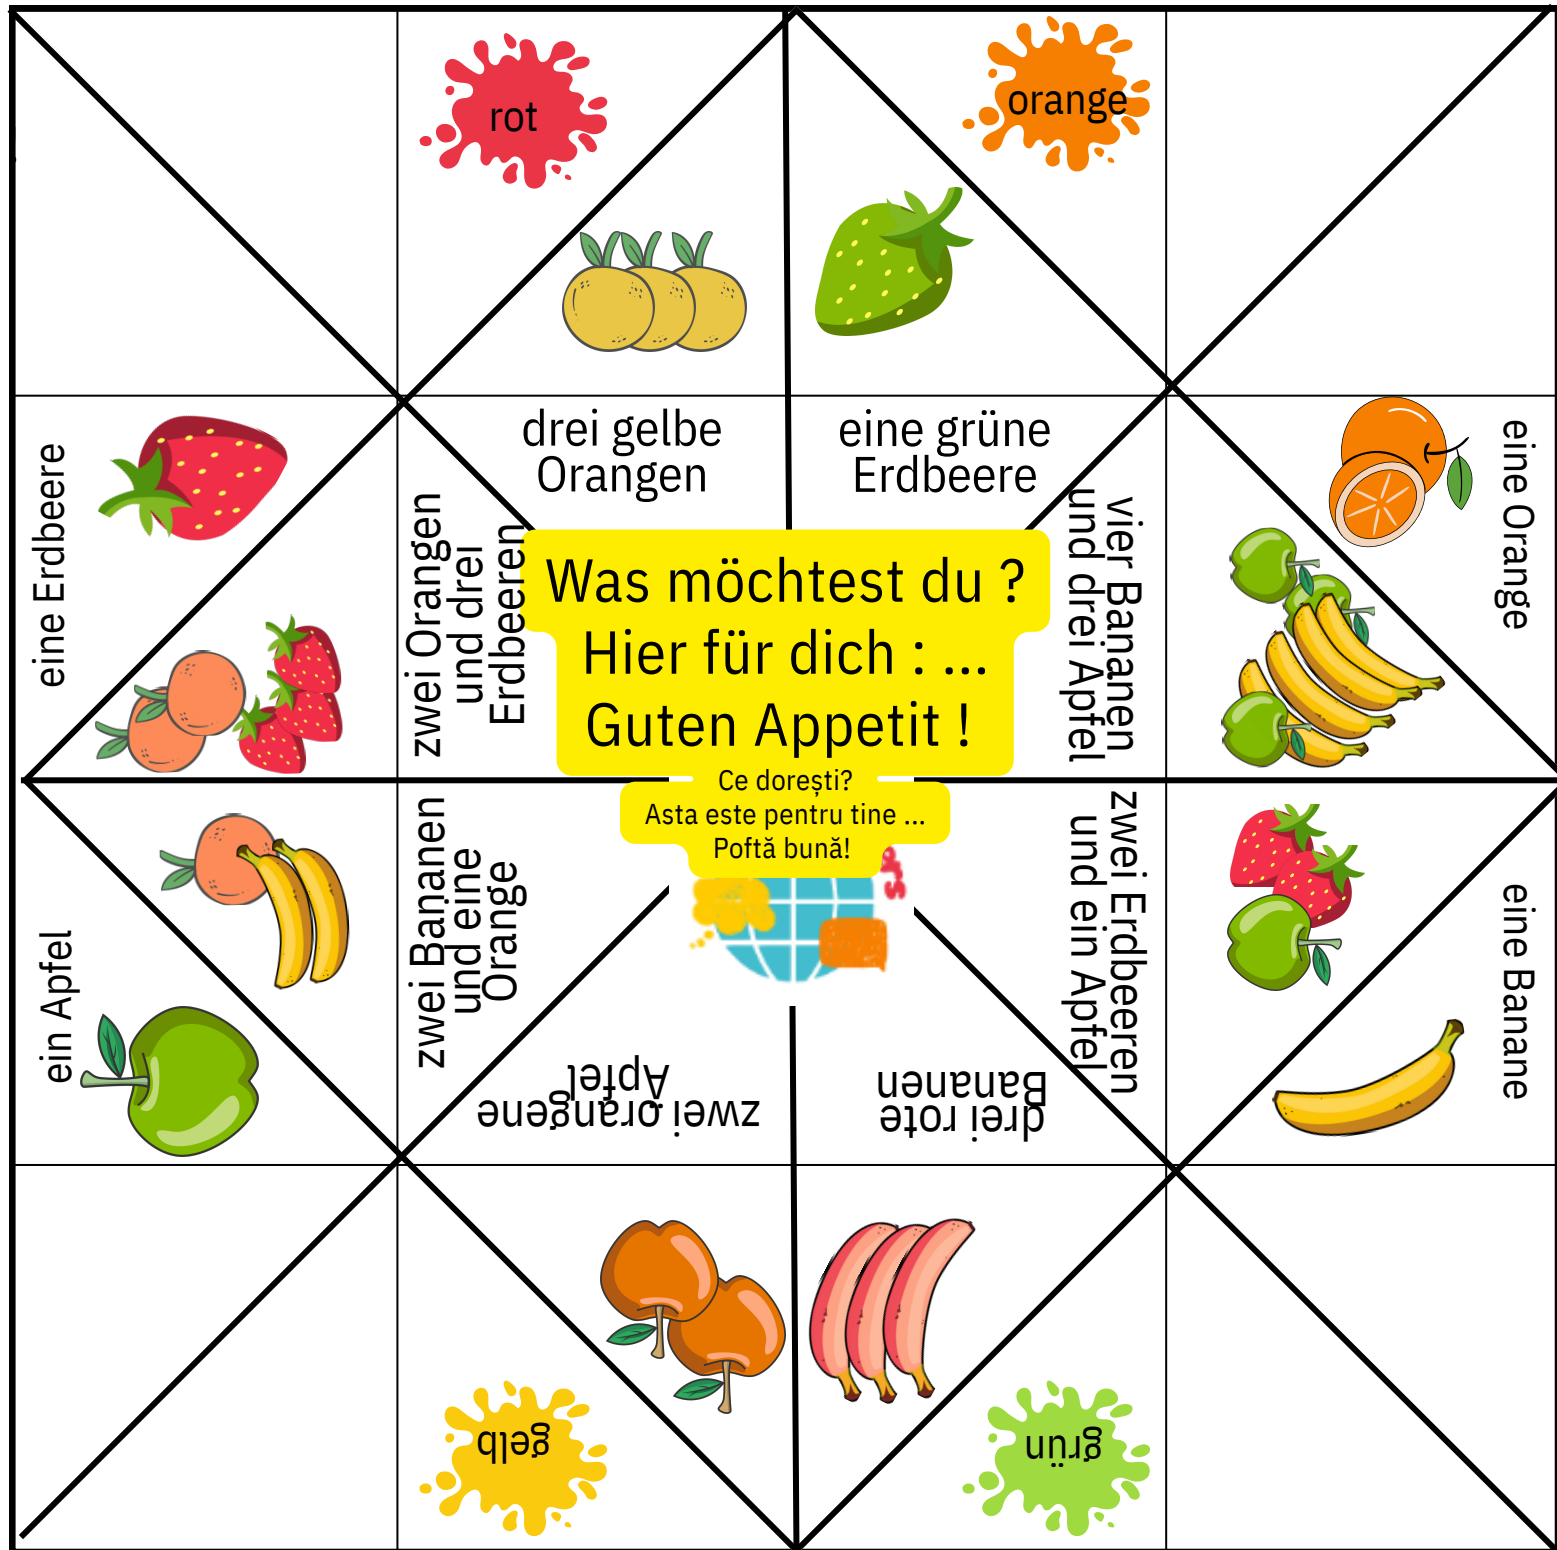

Fold in half from top to bottom. Do not unfold.

7

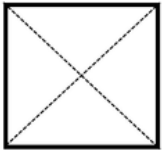

Slide thumbs and forefingers under the squares and move the fortune teller back and forth to play.

Jetzt mach deine eigene Schnipp-Schnapp-Falter!
